Logging into DoseMeRx

How to set up and log into your DoseMeRx account for the first time

Written by Sharmeen Roy, PharmD, BCPS

Updated over a week ago

To log into DoseMeRx for the first time you will need to click on the link provided in your welcome email. This will prompt you to set up a password for your DoseMeRx account. After you have confirmed your password, you will be able to [log in to DoseMeRx](#).

Tip: If the link has expired, don't worry, you can [reset it using our forgot password](#) function.
